Quality & Reliability	PermaGuard™ cabinet with heavy-gauge, galvanized steel construction, louvered coil guard, baked-on powder finish and zinc-coated steel base provides long-lasting protection against rust and corrosion SmartHinge™ louvers for quick and easy access to the interior for cleaning and maintenance 10-Year Limited Warranty on compressor and covered components 	PermaGuard cabinet SmartHinge louvers 10-Year Limited Warranty on compressor and covered components 	PermaGuard cabinet SmartHinge louvers 10-Year Limited Warranty on compressor and covered components
System Compatibility	iComfort®-enabled for smart and simple comfort control; designed to integrate with iHarmony® zoning system	iComfort-enabled for smart and simple comfort control; designed to integrate with iHarmony zoning system	iComfort-enabled for smart and simple comfort control; designed to integrate with iHarmony zoning system

Ultimate Comfort System™ model

iComfort®-enabled model: Designed to integrate with iComfort smart thermostats to give you a higher level of home comfort control

ENERGY STAR® certified model

Quantum™ Coil model: With years of rigorous testing under the most extreme conditions, our Quantum Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements

Dual-Fuel model: Can be combined with a Lennox furnace in a dual-fuel system for maximum efficiency

¹ Efficiency claim based on comparison of air conditioning and heat pump products' SEER as published in AHRI (November 2019). Actual system combination efficiency may vary; consult a Lennox Dealer or AHRI for exact system efficiencies. Precision claim based on the cooling capacity range of the XC/XP25-036 units as compared to equivalent-sized competitive variable-capacity compressor units.

² Efficiency ratings as of December 2019 established per AHRI's test standard: ANSI/AHRI 210/240-2008 of two-stage central AC/HP equipment.

³ Heat pumps have sound ratings established per AHRI's test standard: AHRI 270-08 (December 2019). The SL18XP1 has the lowest sound rating of any single-stage heat pump of any major U.S. brand of heat pump equipment. Efficiency claim based on comparison of single-stage heat pump product's SEER and HSPF as published in AHRI in December 2019. The SL18XP1 has a maximum rated efficiency of 18.50 SEER and 10.20 HSPF.

⁴ Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration is required at www.lennoxregistration.com within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

ELITE® SERIES

Elite® Series takes the Lennox® promise of exceptional comfort and performance to the next level. This superior product family delivers remarkable efficiency. It's time to elevate your environment. It's time for Elite.

Elevate Your Air.
